

ANALYTICAL ANNEX REPORT FOR
Sergio Ubilla y Cia Limitada
Rinconada de Chena, Parcela 38, San Bernardo
8050000 Santiago
CHILE

SAMPLE DESCRIPTION: 5 gr silicon piece. Colour: translucid
Material: Silicone

LABORATORY: INTERTEK CONSUMER GOODS GMBH
Würzburger Straße 152,
D-90766 Fürth

The above sample was tested on the 22th November, 2017 / 06th December, 2017 and the results appear in the Test Report Nº FUFDCP2017-11718. Based on the obtained results, Intertek certifies that N.D. (n.d. = not determinable) means that all results are below the corresponding analytical LOQ (LOQ = Limit of quantification). So, below the LOQ, no pthalates have been found.

Yours faithfully,
